

Mendocino and Lake County Sheep and Goat Producers

Attention sheep, dairy and meat goat producers of the North Coast!

Join us April 20th - 7pm in Ukiah

Plan now to attend a meeting on Wednesday, April 20th at 7pm at the UCCE Farm Advisors' office in Ukiah. The goal of this meeting is to reinvigorate the Mendocino/Lake Wool Growers Association and include dairy and meat goat producers into the local association. With many new sheep and goat producers in the mix, opportunities for contract/targeted grazing, local wool, meat and dairy production and sales have increased. The new local woolen mill has financing lined up and is on track for opening this summer. 4-H and FFA small ruminant project members and leaders are encouraged to attend this meeting. Hope to see you there!
