

American Romney Breeders Association
Annual General Membership Meeting
Friday, October 15, 2021, CJ's Italian Ristorante, Poughkeepsie, New York

- Susan Schoenian of the University of Maryland gave an excellent and informative presentation about new methods of parasite control in Romneys. The presentation was delivered virtually, and was viewed by virtual and in-person attendees. The presentation will be uploaded to the American Romney Breeders Association (ARBA) website.
- President Anne McIntyre-Lahner called the ARBA General Membership Meeting to order at 7:50 pm eastern.
- Secretary/Treasurer, Georgina Anderson, reported the transition to new bank accounts has been bumpy but is almost complete. Updated financial information should be available at the November 30, 2021 BOD meeting, and members can view that information in the minutes of that meeting on the ARBA website.
- In-person and virtual attendees introduced themselves.
- District reports were omitted due to the volume of the meeting room. ARBA members can read the district reports in the "Old Board" minutes that will be published on the ARBA website in the near future.
- Rick moved to adjourn. Patty seconded the motion. The motion carried. The meeting was adjourned at 8:17 pm eastern.
- The silent auction was a great success, with \$305 raised.
